Home type: <input type="checkbox"/> Existing site-built <input type="checkbox"/> Existing manufactured: # of sections <input type="checkbox"/> 1 <input type="checkbox"/> 2 <input type="checkbox"/> 3					
Existing Heating System Being Replaced:					
<input type="checkbox"/> Electric Forced Air with AC			<input type="checkbox"/> Electric Forced Air without AC		
This measure doesn't apply if the existing heating system is a heat pump, or ductless heat pump. Please refer to the PTCS program.					
Heat pump outdoor compressor type: <input type="checkbox"/> Non variable speed <input type="checkbox"/> Variable speed					

Documentation to submit with this form:

- Copy of this completed form
- Purchase receipt or invoice, including the heat pump make and model number
- AHRI Certificate
- PTCS Registry Form
- If a variable speed compressor, include manufacturer documentation that the outdoor compressor includes variable speed or inverter driven technology (e.g. specification sheet, brochure, or screen shot). *Note: Including the text "variable speed" on the invoice will not satisfy this requirement. Additional documentation is required.*
